LANGUAGES

Languages: Italian, (native), English (advanced) German (intermediate)

Artist and art educator with over 15 years of experience designing art-based experiences that foster creativity, reflection, and a sense of belonging. Experienced in curating multidisciplinary guided tours within museum settings and designing and leading art workshops for schools, museums, and community organizations.

RELEVANT EXPERIENCE

2025 - 2025

Official English Tour Guide *Ales Srl- Parco Del Colosseo*, Rome, ITA

- Guided relevant groups of visitors through the Colosseum including families and foreigners.
- Providing engaging and informative commentary on the museum collection and the archeological area of the Colosseum.
- Participated in an in-depth archaeological research group to deepen knowledge of specific areas of the Colosseum Archaeological Park.

September 2023 - June 2024

Museum Guide *Leonardo da Vinci Museum*, Rome, ITA

- Guided relevant groups of visitors through the museum, including children, families and foreigners (in English and German) providing engaging and informative commentary on the museum collection.
- Answered visitor inquiries, resolved issues, and provided exceptional customer service.
- Maintained a safe and welcoming environment for visitors in accordance with museum regulations.

2016 - 2023

Director and Founder *Bimbi Mindful*, Rome, Italy

- Created access to contemporary art experiences by organizing and leading museum events and exhibitions, using mindfulness to deepen children's engagement. Designed and facilitated art workshops for children in museums, schools, and private organizations, integrating mindfulness to foster creativity, focus, and self-expression. Conceptualized and executed customized private events tailored to client needs, combining creativity and experiential learning.
- Led mindfulness classes for adults and children in schools and private settings, supporting well-being, reflection, and creative development. Trained and supervised staff to ensure high-quality programming and fostered collaboration among educators, artists, tour guides, and interdisciplinary teams.
- Built and maintained relationships with schools, organizations, and community partners to support educational programming, collaboration, and audience engagement.

June 2022 - July 2022

Collaboration *Museo Del Vittoriale, Gardalo Festival*, Gardone Riviera, Italy

- Selected for the conduction of the art workshop for children "Art as a Value" during the children museum festival
- Pioneered a Mindfulness art workshop within the museum space

2014 - 2016

Tour Guide and Workshop Educator *Flumen*, Rome, Italy

- Designed and facilitated artistic workshops for children, creating engaging, hands-on learning experiences in contemporary art. Organized the structure and setup of modern art laboratories for children to support interactive and creative exploration.
- Guided diverse groups of visitors through museums and contemporary art exhibitions, including children, families, and international guests, delivering tours in English and German.
- Built and maintained relationships with private clients and organizations to broaden engagement and foster wider interest in contemporary art

2012 - 2016

Tour guide and museum operator *Arte in gioco, Zetema*, Rome, Italy

- Led school and family groups through museum collections and modern art exhibitions, including Ara Pacis Museum
- Organized and conducted art workshops based on the current modern art exhibitions
